

BNC
June Meeting Agenda

Saturday – June 13, 2020
10:00 am – 12:00 Noon (The Waiting Room will open at 9:45am)

This month's meeting will be held via Zoom and will be recorded.

BNC stands with those peaceful protesters demanding an end to police brutality across the country. Like them, we mourn the deaths of the countless Black Americans who have died for no other reason than that they are black. We advocate for the fair treatment of all people. To that end, we call for all police officers to become in policy and practice, peace officers respecting and protecting the rights of every individual.

Agenda

Welcome and instructions about this meeting. Please mute your microphones and feel free to turn off your cameras.

This month we welcome Berkeley Mayor and President of the Association of Bay Area Governments (ABAG), Jesse Arreguin, for a question and answer* session. We will devote our meeting time to the following three topics and will try to take as many questions as possible:

Density and Development in a Post-Covid 19 Berkeley

The future of Downtown and the Opportunity Zones

Safety and Disaster Mitigation

Announcements and Wrap-up

Adjourn

*To ask a question, please post it in the chat along with your name and neighborhood group or area of the city in which you reside.
